will benefit women at risk of breast and ovarian cancer

Santa Rosa, CA (September 16, 2010) North Bay Cancer Alliance is pleased to announce that it will be kicking off National Breast Cancer Awareness Month (October) in grand style by hosting a golf and tennis tournament and luncheon on Thursday September 23rd at the Fountaingrove Golf and Athletic Club. The event, **Swinging for SCRAPPI**, will raise money and awareness for the Sonoma County Cancer Risk Assessment Project (SCRAPPI).

“This is a great opportunity to join our effort and raise money for one of the county’s most important programs aimed to find women before they develop cancers,” commented Marilyn Dunlavey, Event Coordinator. “We have screened more than 2,500 women so far and this fundraiser will allow us to continue our work and serve the community in a very important way.”

There are a variety of Sponsorship opportunities for corporations and individuals. To become a sponsor or to sign up for the golf or tennis and luncheon visit the North Bay Cancer Alliance website, www.northbaycancer.org, and click on Swinging for SCRAPPI.

It also aims to reduce breast cancer-related anxiety through targeted education. Assisted by a Community Advisory Board, SCRAPPI provides free cancer risk assessment services throughout Sonoma County so that any woman, regardless of income or insurance, can learn about and manage her risk.
